Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for Pennsauken Department of Public Works Facility Construction, City of Pennsauken, Camden County, New Jersey, 1st Congressional District in fiscal year 2024. The entity to receive funding for this project is Pennsauken Township, located at 6725 Wayne Avenue, Pennsauken, NJ 08110. The funding would be used for the reconstruction of a new Department of Public Works facility that will be a multiuse space and will blend both the Public Works headquarters and vehicle repair garage. The project is an appropriate use of taxpayer funds because this new facility would allow the Public Works Department to better serve the community. There would be a multipurpose space designated for training to improve services, general public programming, and to utilize as an election polling station.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2) and 42 U.S.C. 5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read "Donald Norcross".
